LITHOGRAPHERS—Mirro-Graphic Yearbooks

A thousand and one details of an unknown face, a missing picture, a misspelled name, a layout to draw, and always the rechecking of all the details have pushed into a state of lethargy my well-thought-out ideals. In my small black notebook I still have the rough draft of an article I wrote for the paper a little less than a year ago, and reading it now makes me smile. "Your staff," it naively reads, "will be ready to catch your activities, your moods, and your school life and give them back to you in your 1957 Meteor." But even though my staff and I forgot our early plans and hopes when our deadlines were reality, unconsciously we were still working for the goal which our ideals gave us, and the criterion of our success is yours to decide.

For Prof Walters we have compared this year to a song. By the music stand on the cover, the photograph of Prof's well-used copy of "Shoen Rosmarin," and other details we have endeavored to remind you of this year 1957 — a song to remember.

HAS GOD CALLED YOU?

Chances are you are at La Sierra because you expect something more from LSC than you would from a college with no specific religious objectives. Perhaps you expect a call from God to a definite life career.

If God calls you into the organized work of the Seventh-day Adventist church don't reject His call. The rewards of such service are far greater than words can convey.

If you have received God's call to serve as a minister, teacher, literature evangelist, secretary, bookkeeper, or nurse,

AL SHANNON AND EDNA JOHNSON

THE SONG OF COLLEGE IS AN INTERMEZZO IN THE SYMPHONY OF LIFE.

NO ONE IS EVER QUITE PREPARED FOR THE END OF A COLLEGE YEAR,

OR THE BEGINNING OF ANY NEW EXPERIENCE.

BUT THIS KNOWLEDGE — THAT THE CONDUCTOR HOLDS THE SCORE AND

DIRECTS EACH PASSAGE IN ITS TURN — THIS KNOWLEDGE ASSURES US THAT

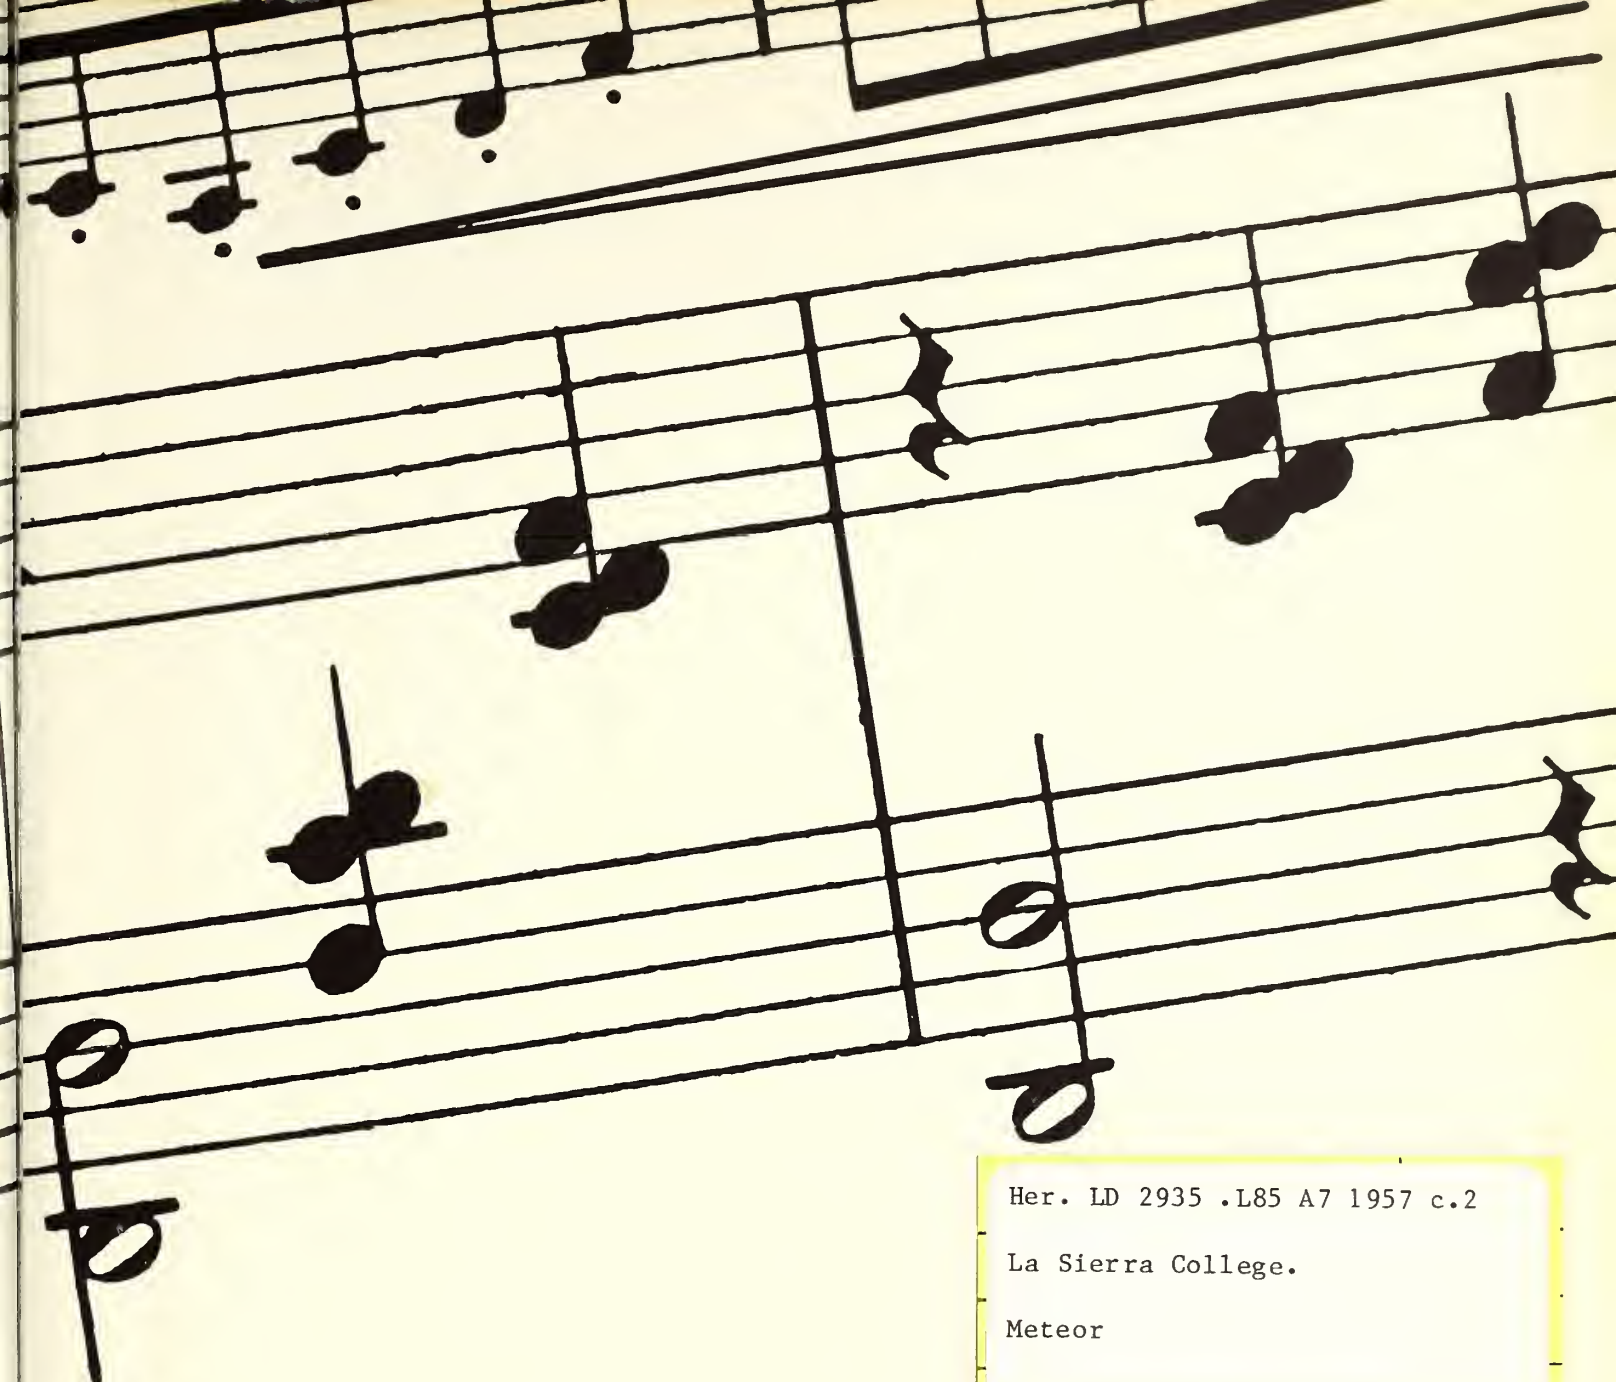

WE CAN MAKE OUR LIVES BEAUTIFUL MUSIC.
